**V. PROGRAM REQUIREMENTS AND SIGNATURE OF UNDERSTANDING**

- Minimum recommended cumulative GPA of 2.8
- Must be enrolled in a degree program to participate in the program
- Completed Application
- Credit hours of a rising sophomore
- Permission of Program
- Official KSU transcripts
- 24-credit hour commitment for certificate
- 18-credit hour commitment for minor

- In addition to their regular course of study, students are required to complete an externship where they work on site at least 6 hours a week. This opportunity is not only a valuable real-world experience, but also a great networking opportunity for students to use during their job search. Students are individually placed according to their interests and strengths. This is an extremely beneficial experience for the students and will also increase awareness of the Program as the students become more visible in the music and entertainment industry.
- The Program is largely based around events which include, but is not limited to, concerts and panels. Students will be required to participate in all aspects of these events including planning, promoting, executing, and attending.

Students selected for the 24-credit hour certificate program, or the 18-credit hour minor are required to enroll in and complete 3 specialized courses, MEBU 3100, MEBU 4100 and MEBU 4200. For a complete list of elective and prerequisite courses and further information on the academic requirements of the program, please contact Keith Perissi, Director – [kperissi@kennesaw.edu](mailto:kperissi@kennesaw.edu)
